Upon completion of ours/my adoption, we Promise to Comply with the postplacement requirements of the Russian Federation and will submit reports, including photos, of our adopted child/ren. During the 3 years after the adoption, we will send 4 postplacement reports, as required currently under the Russian law. We undertake to send the 1st postplacement report upon expiration of a 6 month period after placement, the 2nd – in 6 months after the 1st. We will send the 3rd report upon expiration of the 2nd year after placement and the 4th – upon expiration of the 3rd year after adoption.

We also resolve to contact our homestudy agency and accredited placing agency for help and guidance if the need arises with concerns, difficulties or issues in the raising of our child/ren once home.

Sincerely,
